

Contribution Calendar Form

Overview

Please use this form to mark the dates for Flexible Spending Account (FSA) employee and/or employer contributions in the upcoming Plan Year.

EMPOWER uses these dates to calculate Medical FSA and Dependent Day Care FSA contributions. It is important for these dates to be accurate. You must submit a new form prior to each Plan Year to ensure that your employee accounts are correct.

After the start of the Plan Year, EMPOWER cannot change the contribution schedule or frequency.

Instructions

1. Fill out the first page of this form.
2. On the next calendar pages, mark all dates with FSA contributions in the upcoming Plan Year (you can simply click the dates, or print out the form and circle the dates with a pen).
 - a. If your upcoming Plan Year extends into two different calendar years, please use the appropriate months on the form. For example, if your upcoming Plan Year starts April 1st and ends on March 31st, use April through December on the first calendar year page and January through March on the second calendar year page.
3. Send the completed form to customerservice@empowerflex.com.

! *If the employer contributes to the FSA on a different schedule than employees, you must submit two forms. Additionally, if there are multiple payroll schedules, you must submit a separate form for each schedule.*
